Meetings and Events

Radisson Blu Waterfront Hotel

Jersey

**Jennie Freeth – Executive Manager,
Girlguiding South West England**

“Our event went really well and has resulted in a number of new contacts and a fair bit of interest in what we do and how we can link with other things. Solange was really happy.

I can't thank you and everyone else from the hotel enough for helping make the event a success. There were lots of compliments about the canapés and some of the guests hadn't attended a function at the Radisson before and were very impressed so hopefully it will generate new business for you.”

Niall McClure – Managing Director

G4S Secure Solutions

“Everyone had a great time – especially the person retiring. The room looked stunning and there were lots of ‘Wows!’ as people first walked through the door. The food was superb and Sebastian and his team looked after us very well. Please pass on my thanks to him and everyone who worked on this.”

Rob Coomer – Programme Manager

Carlson Wagonlit Travel

“On behalf of the team, I wanted to thank you all so much for your hospitality over the past couple of days!

Holding our team meeting in Jersey proved to be a big success a large part of which was due to the hotel experience. You are all part of a committed team, that is clear. We were **genuinely** all very impressed by the friendliness and service style of the F&B staff. Mark, who was working on the Terrace Bar after our meeting set a high standard, which was matched by all the team in the restaurant both in the evening and at breakfast.

Ultimately it is always the staff which make or break a property’s reputation – and from our experience in Jersey we will all be spreading good words about the hotel - the property, the location, with fabulous views from the meeting room, and most certainly the service standards.”

The logo for Radisson BLU, featuring the word "Radisson" in a white script font and "BLU" in a white sans-serif font inside a blue square.

HOTELS THAT LOVE TO SAY YES!

Tania Tchedaeua – Company Secretary
Polymetal International

“Thank you very much for arranging the event.
Everything went very well and we hope next year we
will have our AGM in your hotel as well.”

Val Payne – 60th Birthday Party

“I know that I expressed my thanks verbally over the phone but I wanted to write & thank you and all the staff who made my day very, very special. The organisation, services provided, the staff, the food & wine were excellent. The staff were particularly attentive with smiles & kind words to all the guests - they are a credit to the Radisson. Please thank all concerned & convey my comments to the line management”
